Who is she, why her?

She appears in the Book of 2 Kings 22:14 in the Old Testament. Not many details were given except to let us know that she was married to a temple official, 'Keeper of the Wardrobe'. Some commentators suggest that Huldah’s husband was responsible for the special garments used in the religious ceremonies conducted in the temple.

When the Scroll was found, the King needed to understand and authenticate the judgments it contained and so the men charged with the responsibility went to this wife and minister who functioned in the Office of the Prophet for a Word.

I chose her because like many of us today, she wore hats that we wear. I just wanted to encourage us that as demands are made of us, the Lord will continue to put His words in our mouths and the boldness to minister whenever and wherever we are called to.

The logo chosen for this ministry is a rose, an apparently unattractive rose, one that may not be readily picked for a choice bouquet. One whose lost petals tell a story of trauma, but the drops of water give a ray of hope that someone somewhere saw a minute ray of beauty in it and attempted to prolong its life by watering it.
Conference St Lucia

As we planned our first conference in 2011, God spoke directly to us stating this was his plan and his work. He promised that he would work in a way that He only will get the glory. It was held in SVG. The theme was “It's a New Season”.

The second was held in St Lucia, with the theme “The Beauty of His Bride”. The Lord ministered to persons in such supernatural ways that it was just amazing and dynamic. He instructed us to wash the feet of the women. This was liberating and we bless him for his leading.

We are His and He is ours. God wanted us to be reinforcement for the women of Grenada. He reminded us that while we are His princesses we are also His warriors. Each conference is different and has been unique. The devil has fought up till the beginning of the conference and even to today, but we are victorious. We have won, we have won! We are here today to declare that we are one. We asked the Lord what reinforcement we were to be to our Grenadian sisters and he said to reassure them that........

“You are not different from us, we are one. We are not better than you, you are not better than us. You are his princesses and we are his princesses. We are His warriors, you are His warriors. Therefore we must work more closely together. We need each other. We can do it. Together we can exercise ourselves in the Holy Ghost. Together we will hold up each other’s hands. Together we will overcome every challenge, every mountain that comes before
All those who have shared in the conference have imparted into our lives and we will leave this place more determined to serve each other, love and please God, and be a positive influence to the next generation.

Ladies, sometimes we too may feel traumatized, we too may feel unlovely, we too may feel discarded but God still wants relationship with us. God still wants to use us. God still wants to work on us. While he is working on us, he is working in us and he is working through us. Let us be the vessels that he wants us to be. Let us be the tiles, the nails, the window panes, the chandeliers, the stairs that he wants us to be in his church. Let us be the vessels that he chose us to be, to the praise of His glory. I sincerely thank God for the planning committee: Sister Shirlene Pope, Sis Marion Forde, Sis Ronna Andrews, Sis Elsie Frederick, Sis Judith Walcott, and Sis Calma Campbell, for their diligence in ministry. I also thank the ladies/sisters of Grenada, Sis King and Bishop King, Sis Chase and her team, Sis Raeburn and her team, Sis Ruth Isaac, Sis Dubissette, and the Minister of Youth, Sport and Religious Affairs.

Cont’d from page 2

You are Appreciated

Special thanks to all of you, especially to those who stayed at Allamanda for making the adjustment because of the change in the venue for the conference sessions.

God deserves all kudos for what has been accomplished. I give Him thanks for the Lady Ministers and Pastors Wives who hosted and attended the last three conferences; St Vincent and the Grenadines; St Lucia; and Grenada, Carriacou, and Petit Martinique. He has shown, through you, how He can possess and captivate vessels that are available to Him. Special mention must be made of Sis Devonne Glasgow, who un-tiringly threw herself into the ministry and allowed her knowledge and talents to be spent for the glory of God. My heart is indeed encouraged to do the will of God. I am persuaded that He works through people wherever they are to bring His will into the realm of the natural.

When Jesus taught His disciples to pray, He inserted...Thy will be done on earth as it is in Heaven... That was an integral part of each prayer during our planning and all through the conferences. The hurdles, nevertheless, were still arising as we drew closer to our goals. There were initial venue challenges, slow registrations, a toss-up of workshop topics, interrupted Skype meetings, clashes of activities, not forgetting the weariness of some of our physical bodies. But we prayed and trusted Our Heavenly Father, the prayer warriors prayed, both in the Caribbean and North America, and the will of God was done. Amen, Praise the Lord!

The committee cannot grow this ministry alone, we need each woman to use means that are creative, unique in your locale to reach out to each other and maintain our partnerships, as we network for the honour and glory of God. Thank you very much for being a part of this great ministry.

Your sister
Christine Lydia Glasgow
We hereby declare that our next conference will be in the PAWI district of ......

Barbados in 2017!
I love you and bless you all in Jesus’ Name

We give God thanks for the life of our sister, Daphne Greaves, who was promoted to Glory on October 9th 2015.

We thank God for the time we had with her at our Conference in Grenada.

It is our prayer that God’s comfort and grace will continue to sustain.

Conference Reminders

The purpose for our position

When we are positioned lives are affected....

We are placed to function. When we don't do what we are supposed to do, we can cause chaos.

Vashti was positioned; because she disobeyed, it affected the rest of the kingdom.

Laws had to be changed.

Sometimes, we become disconnected to the very people that God wants us to minister to.

We are servants to serve!

Mentoring

Jesus mentored twelve disciples.

Mentoring requires a heart for God and a willingness to give of yourself.

Mentoring will cost you.

The cost is that you must be willing to be:

* real
* broken
* humble
* faithful
* available
* teachable
* hurt

(Matthew 11:28 KJV) Come unto me, all ye that labour and are heavy laden, and I will give you rest.
